

WOMEN WHO GLOW AWARD

Every year Speaking of Women's Health (SWH) honors women in the community who made a difference in the lives of others. This year, we would like to recognize those women who have made a positive life change thanks to SWH. If you know someone who has made a positive change in her lifestyle after attending the event, or if you have personally made a positive life change, please submit a nomination for the *Women Who Glow* award. For more information or to make a nomination, please visit ShawneeMission.org/SWH.
